

A FREE 20-MINUTE CONVERSATION

Before Your Clarity Call

A short worksheet to help you arrive clear on where you are and what you want from our conversation.

You do not need to have everything figured out to take the next step. You only need to be honest about where you are. Give this worksheet about 10 minutes, then bring what you wrote, or just your thoughts, to our conversation.

1 Share Your Story

In a few sentences, what is happening in your work or life that has you looking for clarity? How long have you felt this way, and what changed recently?

2 Name the Tension

Which of these sound like you? Check all that apply.

- ☐ I dread going to work or feel drained by it
- ☐ I wonder if this is what I'm supposed to be doing
- ☐ I feel unclear about my next step
- ☐ I feel a pull toward something different but don't know what
- ☐ I don't want to drift, but I don't want to make the wrong move
- ☐ I want to make decisions with clarity and faith
- ☐ Something else (we can talk about it on the call)

3 What You Have Already Tried

What have you already done, read, or asked others about?

4 What a Good Outcome Looks Like

If our 20 minutes together were helpful, what would you walk away with?

5 What to Expect on the Call

- A relaxed 20-minute, 1-on-1 conversation by video or phone
- You share your story, I listen
- No commitment required, and no sales pitch
- An honest assessment of whether we are a good fit

Ready to talk it through?

Bring this worksheet, or just yourself. In 20 minutes you will know whether working together makes sense.
